

- Welcome to this year's GA Spring Musical! I am so thrilled to be working with this fantastic group of young people!

- A rehearsal schedule for the entire production has been attached to this form- please check it before scheduling an audition. Occasional absences are acceptable. Weekly absences may result in exclusion from the show.

- There is a customary $100.00 fee to participate in the GA musical. This covers scripts, sets, some costume items, makeup, and props that are not donated. Please bring the $100.00 performance fee to auditions November 18 or 19. To pay electronically, go to gamusicboosters.org and click the link coming soon.

- You will not be cast in a role if the performance fee is not paid. No scripts will be issued to performers unless their individual performance fees are paid in full and these students will not be permitted to rehearse until their accounts are in order. Non-payment of performance fees may result in the role casted being assigned to another actor/actress. (Checks can be written to Guardian Angels.)

- Many costume parts will be supplied by the production, but uniform costume pieces will be paid for by the performer at a nominal cost. More information will follow in January.

- Any questions? Check out the production website at www.gamusicboosters.org. Email Mrs. Leach at hleach@gaschool.org . or Meghan Zlatic at meghan.zlatic@gmail.com .
